I am currently a fifth-semester Computer Science student at Bina Nusantara University, working part-time as a Tech Support at PT. Rajawali Cakrawala Indonesia and doing some freelance. I'm interested in learning more about software engineering, particularly web development. I'm a quick learner who works hard to achieve my objectives, also currently interested in Frontend, Backend, and Full Stack Development.

Professional Experience

PT. Rajawali Cakrawala Indonesia - **West Jakarta, Indonesia**   Oct 2019 - Present
Part-time Tech Support
PT. Rajawali Cakrawala Indonesia (PT. RCI) was established on July 20, 2018, according to the deed of incorporation. Although relatively new, the Company believes it will be able to take part in providing and developing the smart home and smart city programs in Indonesia. Supported by years of experience in the financial industry that upholds integrity and professionalism.

- Develop the company website | rcindonesia.co.id
